Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

In response to a telephonic conversation with Ms. Diane Lee who called this week, I have attached a corrected CLAIMS (page 7) for the referenced application. Ms. Lee informed me that the Response to Notice of Non-Compliant Amendment received at USPTO on February 21, 2006 contained a CLAIMS (page 7) for the referenced application which was non-responsive.

Also, you will find my check for \$225.00 attached to PTO/SB/17 (01-06) to pay for a two month extension of time, related to the delays in providing this corrected CLAIMS page.

I trust that this revised CLAIMS (page 7) will satisfy the referenced Notice of Non-Compliant Amendment.

Very respectfully,
